

Hope Church Youth Ministries Director Profile

We are looking for a leader with evidence of a vibrant spiritual life.

We are involved in building and extending Christ's Church. We desire a leader who is sensitive to the leadership of God, can lead us to a deeper relationship with Jesus Christ, and gives evidence of this through personal prayer and devotions.

We are looking for a leader with evidence of relational evangelism.

The future growth of Hope Church will primarily come not from transfer growth, but from conversion growth as we encounter and influence the un-churched. We desire to impact the Clear Lake/Bay Area as we evangelize, disciple, and commission members to the marketplace. The Student Minister will have the ability to relate to many who are un-churched and open to the claims of Jesus..

We are looking for a leader who can inspire and mature students.

Student ministries are an important part of Hope Church. The Student Minister will encourage, recruit, coordinate, disciple, and develop a team of student leaders.

We are looking for a leader who is a creative thinker.

Hope Church is entering a new period in her history. As growth continues to occur, we need innovative leadership to bring secular people to being fully developed followers of Jesus Christ.

We are looking for a leader who is an effective change agent.

As Hope Church continues her pilgrimage with God and we are creatively responding to the youth, the Student Minister will be able to initiate, resolve conflict, and sustain transition.

We are looking for a leader who is experienced in developing and coaching lay leadership.

"Every member is a minister" is one of the values of Hope Church. The Student Minister must be involved in coaching and training others in leadership, as they express their gifts, passions, and abilities in fruitful and fulfilling ministries.

We are looking for a leader who can balance numerous activities without being stressed.

The Student Minister must be able to successfully work with a variety of people, on multiple assignments, deadlines and projects.

We are looking for a leader who has motivational and administrative skills.

The Student Minister must recruit, train, and coordinate people from a variety of backgrounds and a variety of programs. The ability to draw out and develop the abilities of others is necessary.

We are looking for a leader who has demonstrated skill in both verbal and written communication.
