Sermon Notes: The Names of Jesus

Matthew 1:18-25

God comes to us when we feel afraid or lonely to give us courage.

God's forgiveness is complete forgiveness.

Jesus became human to show us he truly knows our hurts and is with us in the deepest way possible.

Questions for Reflection:

- *What is one step you can take to courageously move from living for self to living for God?*
- *What sin do you need to confess to God in order to receive complete forgiveness?*
- *Where in your life do you need to know that Jesus is with you?*
